COVID-19 Testing Sites in Hamilton County

HAMILTON COUNTY, TN – The following list details free COVID-19 community testing sites and events offered across Hamilton County. The Health Department operates the Bonnyshire site and the Homeless Healthcare Center site, and has partnered with Clinica Medicos and Cempa to provide support for their testing operations. These sites only test for current COVID-19 infection. They do not test for the COVID-19 antibody. The Health Department has created a web page on their website to list [testing sites around the county](#), they will be updated as the information becomes available.
