

TRAINING OPPORTUNITIES

The Chattanooga-Hamilton County Health Department will host volunteer training sessions in the upcoming months on the topics listed below. As a part of the Medical Reserve Corps Program and part of the Surgeon General's Community Initiatives, we not only respond to a public health emergency, but we are also a part of the community education plan.

Please RSVP (so we will have a head count for space and food) to Susan McNabb, 209-8068 or e-mail at susanm@mail.hamiltontn.gov.

Park in the garage behind the Health Department building and follow the signs once you exit the elevator on the first floor. Bring your parking ticket with you to be stamped for \$1.00 parking.
