## **Hamilton County Health Department and Hamilton County Schools Announce Two Pfizer COVID-19 Vaccination Events for Ages 5-11, by Appointment Only**

HAMILTON COUNTY, TN – The Hamilton County Health Department, in partnership with Hamilton County Schools & One to One Health, will be hosting two Pfizer COVID-19 vaccination events for children ages 5-11. These events will be held on Saturday, November 20<sup>th</sup> from 9:00 a.m. to 2:00 p.m. and Tuesday, November 23<sup>rd</sup> from 4:00 p.m. to 7:00 p.m.

“Getting our children vaccinated against Covid-19 is an important prevention measure. Keeping them safe while assuring in-person learning is a key priority for the Health Department,” says Hamilton County Interim Health Officer and pediatrician Dr. Fernando Urrego. “We are grateful to have these community partnerships, which significantly expand our ability to better protect our children.”

"We are thrilled to partner with the Hamilton County Health Department to provide these vaccine events for our youngest students," said Dr. Nakia Towns, Interim Superintendent of Hamilton County Schools. "Protecting our young children through vaccination is a crucial mitigation strategy to ensure and prioritize the health and wellness of our students. We look forward to increasing our community vaccination rates, and to our students returning to a sense of normalcy."
